

Terms of conditions

'A great start for your child' promotion, April 15 and October 31, 2026

1. General

These terms and conditions apply to the promotion 'A great start for your child' (hereafter referred to as 'the diaper promotion' or 'the promotion'). With this promotion, you will receive 3 months of free Pampers diapers with a new contract, and we will donate 3 months' worth of Pampers diapers to a child growing up in poverty through Stichting Babyspullen.

The diaper promotion applies to new contracts at CompaNanny daycare locations in Apeldoorn (Mheenpark & Asselsestraat), Breda (Viandenlaan) and Rotterdam (Kralingen), signed between April 15 and October 31 2026.

2. Eligibility & timing

The diaper promotion applies to new contracts signed during the promotional period of April 15 and October 31, 2026, for one of the participating daycare locations.

For this promotion, we consider the date on which the contract is signed. The start date of childcare may be later. For example, if you are expecting during the promotional period and sign a contract for your baby within this period, the promotion will still apply to you.

A minimum of 2 childcare days per week is required to qualify for the promotion.

The diaper promotion is linked to the child and is non-transferable.

3. Delivery

Once your child has started at CompaNanny, we will send you an email in the second month of childcare explaining how to request your free diapers. The diapers will then be delivered to your home in one shipment approximately one month later.

The diaper promotion cannot be exchanged for cash or for diapers of another brand.

The promotion is only valid while there is an active placement and no outstanding payments.

Each participant in the promotion will receive approximately 450 Pampers diapers, depending on the size you choose.

5. Donation to Stichting Babyspullen

For every contract signed during the promotion, we will donate an equivalent number of Pampers diapers to Stichting Babyspullen. They ensure these diapers reach families in the Netherlands who need them most. For more information about Stichting Babyspullen, please visit their [website](#).

6. Other

CompaNanny reserves the right to amend these terms and conditions or to end the promotion at any time. Ongoing participation will remain valid under the terms that applied at the time of enrolment, unless this is not reasonably possible.

In cases not covered by these terms and conditions, CompaNanny will make the final decision.
